

## What about Youth Justice?

What about

Bail?  
Curfew?  
Course?  
Court?  
FGC?

Your social worker will:

- help you
- tell you what is happening with things like court dates, FGCs, plans, orders and bail

## You have to stick to the same new rules as everyone else

We all need to stay home. We need to look after the people in our whare. We need to be kind and patient with each other.

# Rules for Everyone

**Everyone** has to stay in the house that they live in

**No one** can hang out with their mates or mentors

**No one** can go out to the places they usually hang out.

**No one** can go to schools or courses

# Things I have to do

I have to stay home like everyone else in New Zealand.

There might be extra Youth Justice things I have to do.

My SW and Youth Advocate will tell me what rules I have to follow while NZ is at Alert Level 4

Where I have to stay

Where I can go

Who I **can** hang out with

Who I **can't** hang out with

There might be rules about things like

Alcohol A set of icons representing alcohol: a glass of beer, a bottle, and another glass, with a red 'X' over them.

Drugs A set of icons representing drugs: a syringe, a pill, a marijuana leaf, a mushroom, and a bong, with a red 'X' over them.

Violence An illustration of two people, a boy and a girl, in a physical altercation, representing violence.

## What about Court?

Court is still open but judges don't want people to come into the court buildings while NZ is at Level 4 Alert. They are trying to keep the court locked down if they can.

The Judges have changed lots of court dates for people because of Alert Level 4.

Some people might still need to go into court buildings to see the Judge, but your lawyer or social worker will tell you if you need to go.

If you don't know what is happening or have questions, ask your social worker, FGC Coordinator or Youth Advocate (lawyer).

Everyone is trying to sort out court cases by email, phone, video conference, AVL (Audio Visual Link) if they can.

If you have to go to a court building:

- stay away from other people
- try not to touch anything
- wash and dry your hands
- don't touch your face
